

Secure File Upload

In an effort to better secure participant information we have created a Secure File Upload available for our Member Cities, Towns and Municipal Agencies as a way to transmit information to OkMRF.

To upload please log into our Participant Accounting System (PAS) [here](#) and select 'File Uploads' from the top menu of your Admin Home page. You can upload any files you wish to send to our office, once uploaded we will receive notification of an upload. If you wish to have confirmation please email and let us know a file has been uploaded, we will be happy to reply with a confirmation of receipt. If you do not have the proper login information contact our offices at (888) 394-6673 ext 100 or 106 for assistance.
